Environmental Management Policy

ADT is committed to be the supplier of choice by exceeding customer expectations with innovative products, world class quality, and efficient environmental management system.

ADT's management and employees are implementing an environmental management system and plans, in view of our policy to:

SUPPORT ENVIRONMENT PROTECTION

Our environmental policy is achieved by commitment to:

- ❖ Follow environment regulations
- ❖ Inhibit pollution
- ❖ Continuous improvement per set goals
- ❖ Effective environmental management system
- ❖ Prefer Environment-friendly materials

A handwritten signature in black ink that reads 'Yaron Barkan'. The signature is written in a cursive, flowing style.

Y. Barkan

President and CEO
