January 01, 2015

To all sales personal,

Discontinuation of 7200 ProDice, MegaDice and GigaDice

ADT has discontinued the manufacturing and sales of the **ProDice, MegaDice and GigaDice** systems effective Jan. 01 2015.
ADT will provide five years support program for the **ProDice, MegaDice and GigaDice**.
This program goal is to provide ProDice, MegaDice and GigaDice customers with the service and parts necessary to keep their machines in operation.

ADT will continue the sales of standard accessories, options and retrofit kits to customers that use the above systems.

ADT will provide field service support for the ProDice, MegaDice and GigaDice standard product line until Jan. 01, 2022.

The new machines model replacements are:

- **DS-7220 series, Standard machine up to 8"**
  - **2" configuration, 7222 (Replacing the ProDice)**
  - **2" HP configuration, 7223 (Replacing the MegaDice)**
  - **4" configuration, 7224 (Replacing the GigaDice)**
- **DS-7230 series, Standard machine up to 12"**
  - **2" configuration, 7232 (Replacing the *7200-300 2")**
  - **4" configuration, 7234 (Replacing the 7200-300 4")**

No changes with the LA

The new 7220 series will include:

- **Industrial PC – Robust and fixed PC configuration, Window blocked**
- **Turn table with high torque and high accuracy (1 micron)**
- **High resolution camera (2000 X 2000 Pixel)**
- **Large dress station – quick change and supporting variety of thickness**
- **New design of NCH**
- **Relocation of the NCH to the left hand side minimize contamination**
- **Service window for Easy access for maintenance**
- **Enhanced Microscope LED illumination**
- **New enhanced software features such as GMF (Geometric Model Finder)-Optional**

ADT will respect already quoted prices, for all orders placed by Dec 31 2014. Such orders, if apply to 7200 ProDice, MegaDice and GigaDice models, will be converted at no extra charge, to 7220 or 7230 series, respectively.
Please review this Notice and contact ADT Marketing / Sales staff if you have any questions about this program.

Sincerely,
Yossi Gershon, VP Sales
